

Enquiry management System for pu college

To,

The Principal

About Application

Difficulties

- Hard to maintain enquiry data and track follow-ups
- Missed opportunities due to manual or scattered information
- Low admission conversion because of poor communication
- No centralized system for managing student details

Solutions (Included Modules)

- Digital application form (online/offline options)
- Online or offline payment collection
- Prepare merit/admission lists easily
- Provide hall tickets to students
- Send exam results directly to student mobile numbers
- Students get complete institute information while filling the form
- Institute can upload brochures and admission forms through QR Code
- QR Code for quick online application and updates
- Single dashboard to manage multiple branches/institutions

Choose your pricing according to your institute's strength.
